

12th Annual Dover Children's Home Tasting Tour

The 12th Annual Dover Children's Home Wine, Micro-Brew, Appetizer, and Dessert sampling will be held on Thursday, May 9, 2019, from 6pm - 9pm at Blue Latitudes in Dover. In addition to the trademark array of over 25 fine and accessible wines, this year's event will once again include a wonderful selection of micro-brews to sample. Complementing the wines and craft beers will be an assortment of exquisite appetizers, cheeses, and desserts to suit every palate. The award-winning staff of Blue Latitudes will be preparing a myriad of foods such as New Zealand Lamb Lollipops with Green Goddess Mint Sauce, Pequito Chicken Empanadas, Wild Salmon Gravlax, Pork Tenderloin with Chimichuri Sauce, Smoked Trout Crostini, Mango Crab Stacks, and Roast Chicken and Tomato Bruschetta.

Each guest will be provided a booklet with information on the wide variety of microbrews and red, white, and dessert wines presented at the tasting tables. Vendor representatives will be available to make suggestions and answer questions. A full-service bar and non-alcoholic options are also available throughout the evening. In addition, wine-themed gift baskets will be raffled.

Only 150 tax-deductible tickets will be sold for \$70 each. Please reserve your tickets now by:
